UPENN/HARVARD

I'm still awaiting information about the waitlists at Penn. I talked to several coaches at Lexington that they will have a lot of drops; unfortunately, I have to submit hotel rooming lists. We've had some changes with the original individuals I asked to chaperone. I'll be reaching out this week when I can figure what students will most likely be attending. Thank you for your patience.

RIDGE INVITATIONAL UPDATE - January 27, 2018

You should have received information about concessions signups and contributions for our upcoming Ridge Invitational. We currently have 40 schools who have confirmed they will be attending, and we are approaching 400 entries as of today (with still two weeks left to go!). We are very excited for how our tournament has developed into the largest one-day tournament in New Jersey! We have schools attending from New Jersey, Pennsylvania, New York, and the Washington, DC area.

LAFAYETTE INVITATIONAL CANCELED

Unfortunately, the Lafayette Invitational scheduled for this upcoming Saturday has been canceled. Mrs. Fletcher and I will discuss plans for those students not competing at the CFL.

POSTER UPDATE

All the posters have people who have signed up. Poster board is available in 414 and the speech closet. I would encourage picking it up on a day when it isn't raining (like last Friday) so it does not get damaged. Also, be careful what type of paint you use and how quickly you apply it.
